Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Samhain Publishing, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Madness didn't destroy her; atoning for it might. Looking Glass Gods, Book 3 Ra has ruined everything. Returning to life through renaissance was her first mistake. Magical excess was her second. Now she must face the consequences of her reckless conjuring. Her beloved Ahr is dead by her hand, and the comfort she'd found in gender-rebel Jak seems lost to her forever. Ra takes solace in punishment-and in communion with her punisher, the mysterious and merciless MeerShiva. But Shiva has spun a skein of secrecy over centuries-secrets about Ra's origins and the origins of the Meer themselves. And as the secrets begin to unravel, someone else's magic is at work from the hidden realm. Someone with the ability to redraw the fabric of the world itself. As the picture becomes clearer, Ra must face some harsh realities: not everything is about her, and punishment isn't enough. She must stand before Jak and try to atone for what she's done. But seeing Jak will reveal one more secret Ra never saw coming-and one that may mean her own undoing. Warning: Contains scenes of intense BDSM, non-binary genders, and a preponderance of kick-ass women.
