

Manual of the Chemical Analysis of Rocks (Classic Reprint) (Paperback)

By Henry S Washington

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Manual of the Chemical Analysis of Rocks The present edition has been thoroughly revised and considerably enlarged. Some changes in details of procedure have been introduced that were suggested by the equipment and facilities of a modern laboratory, as contrasted with those which served for the work upon which the previous editions were based. But the endeavor has been made to describe the various procedures so that they may be readily carried out by one working in a laboratory that is not provided with all possible facilities. Some new methods have been introduced, but it has been thought to be the wiser course to adhere to well-known and oft-tried reliable methods, rather than to supplant them by others more recently proposed, unless these have been tried and proved to be of undoubted superiority. The various methods have been treated in much greater detail than in previous editions, and more stress has been laid on the sources of error both in operations and in methods; experience has shown that such discussions will be of service to...
