Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

If someone gave you a chair and said it was made by Jesus Christ, would you believe them? When an elderly lady shows up in Corin Roscoe's antiques store and gives him a chair she claims was crafted by Jesus, he scoffs. But when a young boy is miraculously healed two days after sitting in the chair, he stops laughing and starts wondering . . . could this chair heal the person whose life Corin destroyed twelve years ago? As word spreads of the boy's healing, a mega-church pastor is determined to manipulate Corin into turning over the chair. And that mysterious woman who gave him the piece flits in and out of his life like a shadow, insinuating its Corin's destiny to guard the chair above everything else. But why? Desperate, he turns to the one person he can trust, a college history professor who knows more about the legend of the chair than he can reveal. Corin's life shatters as he searches for the truth about the artifact and the unexplained phenomena surrounding it. What's more, he's not the only one willing to do almost anything to possess the power seemingly connected to the chair. Acclaim for *The Chair*: James Rubart is one of my new favorite authors. *The Chair* has the same depth and creativity as *Rooms*, and it was impossible for me to think of anything else until I finished it. I can't wait for his next book! --Terri Blackstock, author of *Intervention* and *Vicious Cycle* *The Chair* is a compelling story that will draw the reader's attention immediately and hold onto it until the end. I've enjoyed all of James L. Rubart's books, but this may be my favorite. --Tracie Peterson, best-selling author of *Striking a Match*...
