Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Motor Matt s Peril; or, Cast Away in the Bahamas by Stanley R. Matthews. Motor Stories: Thrilling Adventure Motor Fiction no. 12 by Stanley R. Matthews. Published 1909 ADVENTURES OF A BOY GENIUS MOTOR STORIES Most five-cent weeklies are founded upon the adventures of boy wonders who perform all sorts of impossible feats and who never act or talk as a boy really does. This is displeasing to the intelligent boy of the present day, who is better educated, and who, consequently, demands more logical reading than the old-time boy did. The boys who want to learn something from what they read, as well as to be interested by it, will never find another publication that will satisfy them so well as MOTOR STORIES. Motor Matt is not an impossible boy character. He is simply a youth who has had considerable training in a machine shop where motors of all kinds were repaired, and who is possessed of a genius for mechanics. His sense of right and wrong is strongly developed, and his endeavors to insure certain people a square deal lead him into a series of the most astonishing, but at the same time the most natural, adventures that ever befell a boy. Buy the current number from your newsdealer. We feel sure that you will be just as enthusiastic about it as the fifty thousand other boys throughout the United States have become.
