Brand New Book ***** Print on Demand *****.Adventures of a Trail Stooge follows The Esteemed Stooge, Sir Charles Guilons on his thru-hike of the Appalachian Trail. Starting atop Springer Mountain in Georgia, Sir Stooge makes his way over more than 2,100 miles of earth to summit the beautifully lonesome Mount Katahdin in Maine. Along the way, he meets some great friends: from Tangy and Munchies in Georgia to the silent John in the Wilderness, and all the rest between. Through the beauty of the Earth, the laughs, celebrations, struggles, and pain, he learns some things about himself, and the thing we collectively call life. Using journal entries as the basis of the text, Sir Stooge enhances the gritty, emotional entries with post-trail commentary. The coupling of raw entry with polished narrative creates a complete picture of life on the trail. Through more than fifty entries, Sir Stooge grants the reader insight into life on the trail-physically, mentally, and spiritually.
