The Laws of Heredity (Classic Reprint) (Paperback)

By G Archdall Reid

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Laws of Heredity The present volume covers a wider area than my last: The Principles of Heredity. No problems can be named of greater importance to the community than those of Heredity. I have tried, therefore, to make the argument as plain as possible to the general reader. And, since facts which we are able to observe and verify for ourselves, are more impressive and valuable intellectually than those we are obliged to accept at second hand, I have used, whenever possible, material that is familiar to every one. Some biologists may regard Chapter III., which deals with scientific method, as unnecessary and even as impertinent. But every writer hopes to gain wide assent to his reasoning; and, there are, apparently, amongst thinkers about living beings, such fundamental differences of opinion as to what constitutes evidence, what logical proof, and what science, that no one can hope to secure wide assent unless he first lay down the principles that have guided his own thinking and obtains assent to them. If the history of biology...
