

8-Bit Baseball (Paperback)

By Brandon Terrell

Stone Arch Books, United States, 2014. Paperback. Book Condition: New. Eduardo Ferrara (illustrator). 226 x 150 mm. Language: English . Brand New Book. Jared Richards is undefeated in baseball games--video games, anyway. But when he loses a bet to his best friend, Jared is forced to get off the couch and step onto the field for his school's baseball team tryouts. Despite the fact that he's never even held a baseball before, Jared ends up being pretty impressive as a pitcher--until the line between video games and reality begins to blur. Can Jared sort out the glitch in his brain before he blows the big game?.

Reviews

Completely essential study publication. This is for anyone who states that there was not a well worth reading through. I am very easily could get a satisfaction of reading through a written publication.

The publication is easy in read better to understand. It is written in basic words and phrases rather than hard to understand. You won't truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
