

The Psychology of the Chinese People

Filesize: 4.85 MB

Reviews

This ebook can be worthy of a go through, and a lot better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly easy way which is just soon after i finished reading this book where basically modified me, affect the way i really believe.

(Seth Fritsch)

THE PSYCHOLOGY OF THE CHINESE PEOPLE

The Chinese University Press. Paperback. Book Condition: new. BRAND NEW, The Psychology of the Chinese People, Michael Harris Bond, Michael Harris Bond, Fanny M. Cheung, David Y. F. Ho, Rumjahn Hoosain, The Chinese people constitute more than a quarter of the world's population, yet until now there has been no single volume that summarizes and integrates the wealth of data available, in English and Chinese, on the psychological functioning of the Chinese people. "The Psychology of the Chinese People" fulfills this role, emphasizing the prime areas of research, both past and present, the theoretical models used to integrate these findings, and areas for future research. The book also provides a cross-cultural comparative perspective on the data. The topics covered include socialization, perception, cognition, personality, psychopathology, social behavior, and organization.
