This is a most touching and emotional true story. of the author s battle with cancer. It is a detailed and personal account of how a very strong believer and family-oriented woman beat ovarian cancer. Although that type of cancer historically develops rapidly and has devastating effects, this true story shows how faith, family and love are a powerful force to reckon with. A must read for anyone with or without an illness! Nine years hence she is Cancer Free. It shows what faith in God can do. God is really alive and can work miracles in our lives. We just have to believe. The Author relates events when her life and financial well-being were threatened by this dreadful disease. Her strong faith in God saw her through all the trials she had to undergo during her several months of treatment. Writing this book gives her the opportunity to demonstrate to others the meaning of prayer and family unity . Eight years hence, she is now Cancer Free and wants to shout it to the world. The book serves as an inspiration for those in a similar situation to not give up but trust in god and continue fighting. Grab a copy here.
