Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Knight.--Continued controversies respecting the Theseus and Ilissus. It was not until the year 1816, that the English Government can be said to have listened to any proposal to form a National Gallery of Art. Should the theory ever be established, that academies and galleries retard, instead of promote the progress of the Arts, England will have the fame of being the last of the civilized nations that inflicted this injury. In 1816, a Committee of the House of Commons was appointed to examine into the qualities and value of the Elgin Marbles, and to report to the House upon the expediency of purchasing them, as a nucleus of a National Gallery of Sculpture. The proceedings of the Committee, and the evidence taken by it, afford an abundant scope for the...
