Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: Chinese . Brand New Book ***** Print on Demand *****.The Road to Cheerful traces the journey of the author s work in curing her daughter s dyslexia. It retraces all of the painful experiences families live through in the struggle leading up to a diagnosis in the best of cases, and otherwise into some kind of realization that something is wrong . The author explains how she came to create her MyWindow system and to describe her own complete initial disbelief at how easily and quickly it functioned. Finally, she has the very stressful burden of responsibility placed on her when she realizes that she needs to share this system; everyone she tries it on improves--all ages, levels, etc. The book therefore is for the layman and speaks in layman s terms. After years of her own research reading every book available on the subjects of ADHD, dyslexia, autism, the (twice!) gifted child, etc. she realizes her method and thinking in fact are completely at the other end of the spectrum from the literature and thought currently out there. This is the anti-intellectual and anti-medical take. This is a real solution for people looking for one. This obvious point must be stated and stressed because this is now a big industry. A lot of people make a healthy income from these diagnoses. They are perfectly content to continue to charge for methods that sound very fancy and produce books with neurological scans, etc. to convince people this is how it must be dealt with. This is no longer true. If you wish to continue to label your child and to run around taking them to torturous classes, or homeschooling or whatever method you ve chosen, then this...
