What do an ex-Army Ranger/dude ranch owner and a spoiled, trapped rich girl have in common? Not much. Turk Gunnison agrees to take on the responsibility for Abigail Van Huffington's well being, but he's not sure how much of her attitude he can take. Being at the ranch isn't at the top of Abigail's to-do list either, but her plans to escape a controlling life have stalled in Turk's back pasture. Her main goal is getting to England, settle into the job of interpreter for a travel agency, and gain her independence. But Abigail's being watched by an enemy agent who mistakenly believes she knows too much about him. *** I had a fabulous time writing this book. I fell in love with Turk and adored Abigail as their story unfolded. Together they were magic-Turk Gunnison, ex-Army Ranger looking for normalcy in his life, and Abigail Van Huffington, the woman with nothing to lose but the past. ~ Betty ~ *** 4 Stars: Spoiled brat Abigail Huffington was determined to escape her grandfather's control. Hunky cowboy Turk Gunnison continuously irritated her. She was waiting for her friend, Shane, to bring her enough money to leave the country and start over. Along with Shane, came trouble. The Stetson is a delightful love story that will leave the reader tingling for their own cowboy. Abigail and Turk have a very stormy relationship. The characters are well developed. The plot is enticing. Fans of romance will enjoy The Stetson. -- Anne Boling, Review Your Book.
