Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Brand New Book ***** Print on Demand *****.Excerpt from The That-Clause: In the Authorized Version of the Bible In order to substantiate certain generalizations incident to the preparation of a forthcoming volume on Old English syntax, I have found it necessary to take somewhat detailed notes upon texts later than those immediately under survey. Encouraged by the suggestion of my friend and master, Professor Albert S. Cook, of Yale University, I am publishing a few of these for whatever value they may have for others working in this field. A few months ago an earlier study, mentioned on the following page, appeared in Herrig s Archiv. The present brochure, containing a larger group of phenomena, arranged in topical order, is likewise offered as a mere bit of rubble in the foundation-wall of English syntax, which a stronger and more skilful hand than mine may some day build. It is a pleasant duty to thank my colleagues, Professor Thomas B. Macartney and Professor Charles B. Newcomer, for valued help in reading the proof-sheets; and to acknowledge gratefully the assistance of my wife throughout the preparation of this paper.
