Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is part Halloween, part resturant guide, part imagination and sense of humor from a 13 year old boy. Loosely based on a series of skits written by a bunch of teenage boys more then 20 years ago in Nile Ny. Its the very rendering of my sense of humor. Charlie s is a resturant that is more of a Halloween fun house then a resturant. The ambience is frightening, the food is indigestable, and your chances of surviving dinner are very very slim. Read this collection of poetry and laugh, eat at the resturant and take your life into your own hands.
