By Ed Kenerson

Free Christian Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Eddie s Elementary Adventures is about a year in the life of a young boy named Eddie Castleton. Eddie seems to get himself into a lot of weird and unexpected situations in life. His way of handling all that is often funny, sometimes clever, but always endearing. He s just an adventurous little kid that takes on life with the Lord at his side. You ll enjoy his friendships with Toad and Danny and the crazy antics they get into. Along the way, he faces a bully at school, confronts death and loss, and solves a neighborhood mystery. You ll laugh as he learns how to deal with the girls in his life and tries to build up his social standing. All of us will appreciate the challenges he faces and the spiritual lessons he learns each day. Much of it is based upon my early life experiences, though greatly embellished for your reading enjoyment. I hope you have as much fun listening to this precocious little guy s adventures as I did in writing them.
