

Evolution in Dental Care

By Richard J. Elderton

Clinical Press Ltd. Paperback. Book Condition: new. BRAND NEW, Evolution in Dental Care, Richard J. Elderton, High quality oral health care is an increasingly important aspiration in most parts of the world. However, the world is an ever-changing place and change in dentistry is occurring very rapidly indeed. The rapid growth in knowledge or oral diseases, the change in disease prevalence and distribution, and the continued improvement in world communication, make this a challenging time in modern dentistry. There is a clear need to move from a system of piecemeal dental treatment to one of oral health care as a whole. These and many other issues are dealt with in this book. This a book for all involved in dental care, be they providers or consumers.
