Reviews

Absolutely essential read through ebook. Better then never, though i am quite late in start reading this one. I am just delighted to inform you that this is actually the finest ebook i actually have read through during my own existence and might be he greatest publication for actually.
(Ms. Vernie Stracke)

FOR THE WIN (PAPERBACK)

Tor Books, United States, 2012. Paperback. Book Condition: New. Reprint. 206 x 137 mm. Language: English . Brand New Book. It s the twenty-first century, and all over the world, MMORPGs are big business. Hidden away in China and elsewhere, young players are pressed into working as gold-farmers, amassing game-wealth that s sold to Western players at a profitable markup. Some of these pieceworkers rebel, trying to go into business for themselves but there s little to stop their bosses from dragging them back into servitude. Some of them, like young Mala in the slums of Bombay nicknamed General Robotwallah for her self-taught military skill become enforcers for the bosses, but that only buys them so much.All the way over in L.A., young Wei-Dong, obsessed with Asian youth culture and MMORPGs, knows the system is rigged, knows that kids everywhere are being exploited. Finally, he and his Asian counterparts begin to work together to claim their rights. Under the noses of the ruling elites, they fight the bosses, the game owners and the rich speculators, outsmarting them with their street-gaming skills. But soon the battle will spill over from the virtual world to the real one, leaving the young rebels fighting not just for their rights, but for their lives .
