Brand New Book ***** Print on Demand *****.Excerpt from **Water Power Projects, Telephone, Telegraph, Power Transmission Lines on the National Forests: Regulations of the Secretary of Agriculture and Instructions Regarding Applications for Permits for Water-Power Projects Under the Act of February 15, 1901**, and for Easements for Telephone, Telegraph, and Power Transmission Lines Under the Act of March 4 Reg. L - 1. Preliminary power permits will be granted for the purpose of preserving priority of application while applicants are securing the data necessary for applications for final permits, and may allow such construction work as is necessary to preserve water appropriations until final permits are secured. Preliminary permits will not be granted for transmission lines alone or for power sites having a total capacity of 100 horsepower or less. Final power permits will allow the occupancy and use of National Forest lands for the construction, maintenance, and operation thereon of project works for the development, transmission, and use of power. Preliminary or final permits for power sites of a total capacity in excess of 100 horsepower will be granted, amended, extended, and renewed by the Secretary of Agriculture, hereinafter called the Secretary. Permits for power sites of a total capacity of 100 horsepower or less will be granted, amended, extended, and renewed by the district forester. Permits for transmission lines will be granted, amended, extended, and renewed: (1) By the Secretary when such permit is supplemental to an existing permit for a power site of a total capacity in excess of 100 horsepower; (2) by the district forester when the transmission line is to be used in connection with a power site (whether under permit or not) of a total capacity not to...
