Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do the challenges of Learning, Loving, and Living sometimes seem insurmountable? Find some inspiration, clarity, and encouragement in We Are Climbers, All. This unique collection of 30 poems offers practical insights from poet and corporate training consultant Tom Blaisse. (The sample poem below is 1 of 4 offered for preview at .) Using traditional and user-friendly rhyme and rhythm patterns, Tom helps us understand that life is for learning how to live and love well, and that s easier when we re open to letting our heart and soul grow. Tom s professional career and his many other talent areas have all focused on his personal Mission: Turning on lights, so people can shine. By combining his exceptional teaching, communication, theatrical, and musical skills, Tom has successfully helped tens of thousands of people of all ages, including business professionals from all industries, theatrical actors and fans, church groups, Boy Scouts, and other community groups. The second-half of this book contains Tom s literary critique and a personal comment for each poem. These poems were written over a 35-year period, as Tom walked his unique life path, reached many new heights, and gained new perspectives about what makes us learn, love, and live. Tom approaches the big question, What is the meaning of life? with insight and ingenuity. The clever addition of commentaries makes this book unique. We are family, and our brother Tom leads us with faith through the rocky climb towards joy. Diana L. Weiss, Poet and Musician Author of What Counts (Finishing Line Press, 2008) Tom s poems reflect his ability to cast an insightful gaze upon human growth and education, and focus on developing hearts...
