Red has lost everything to the fast-spreading disease: her family, her trust in mankind, and her hope for a better tomorrow. When she meets Trace, a smooth-talking gambling man who s more city boy than cowboy, she s forced down a path she d been avoiding for years. Until his arrival, she d lived by a certain set of rules-don t ask names, keep to yourself, don t let anyone too close-but the jackass of a man won t let her be, and he has an uncanny knack for appearing at all the wrong times and in all the wrong places. Each, with a secret of their own, will need to learn that only by working together do they have any chance of surviving The Zombie West. That is, if they don t kill each other first.
