Pearson Education (US), United States, 2013. Mixed media product. Book Condition: New. 257 x 208 mm. Language: English . Brand New Book. CCENT/CCNA ICND1 100-101 Official Cert Guide, Academic Edition is a comprehensive textbook and study package for a beginner-level networking course. This book has been completely revised to align to Cisco s new CCENT 100-101 ICND1 exam. Material is presented in a concise manner, focusing on increasing student s retention and recall of exam topics. The book is printed in four color, allowing students to benefit from carefully crafted figures that utilize color to convey concepts. Students will organize their study through the use of the consistent features in these chapters, including: * Foundation Topics - These sections make up the majority of the page count, explaining concepts, configurations, with emphasis on the theory and concepts, and with linking the theory to the meaning of the configuration commands. * Key Topics - Inside the Foundation Topics sections, every figure, table, or list that should absolutely be understood and remembered for the exam is noted with the words Key Topic in the margin. This tool allows the reader to quickly review the most important details in each chapter. * Chapter-ending Summaries - These bulleted lists provide a quick and concise review of the key topics covered in each chapter. * Chapter-ending Review Questions - Each chapter provides a set of multiple choice questions that help student s test their knowledge of the chapter concepts, including answers and full explanations. * Chapter-ending Exercises - Each chapter concludes with a series of exercises designed to help students increase their retention of the chapter content including key term reviews, key topic tables, command review exercises, and memory table exercises. * Part Reviews - This new edition includes a new part review feature that...
