The workbook begins by providing basic information regarding terrorist incidents and the agents commonly faced during these incidents. It follows with seventy case-based scenarios that any responder can use to help sharpen their decision-making skills. Also included are seventy scenario-based exercises that encourage critical thinking and safe, effective emergency response; a history of the use of chemical, biological, and radiological agents; a discussion of safety operations; and a quick reference guide for biological and chancel agents. 100 pp. Englisch.
