Brand New Book ***** Print on Demand *****.After the death of their only child, it was time for Virginia and Richard to truly act on the power held within the five stones. But their healing was taking a long time, and, quite frankly, proving to be an empty vessel needing to be filled. Would they ever have a child of their own? Would the old key help in their search for the truth? Joy was in their lives once again, a homeless teen with an alcoholic mother, still managing the journey to Just Desserts for another pink cupcake. Was Joy the answer? And if so, what was the truth locked within her heart? Travel with Virginia and Richard as they make their journey with God. Seek. Knock. Open. Find. Discover for yourself how an open heart - heals.
