Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Saint Teresa: 1515-1582 I must point out here the principal works or documents on which I have drawn for this book, and explain my manner of reference. I. First and foremost come the writings of the Saint herself: - Her Life; The Book of the Foundations; The Way of Perfection; The Interior Castle. These I quote from the translation by Father Bouix (Librairie Lecoffre), and since the editions are numerous, and the pagination of them may differ, I refer as a rule to chapters. One of the most important sources is furnished us by her Letters. Of these the new edition of Father Gregoire de Saint-Joseph (3 vols. 8vo, Paris, 1900) is that to which I refer. Beyond question, this valuable publication sets right many interesting points and gives us a very large number of fragments which, if not all hitherto unpublished, in the strict sense of the word, had never been translated into French. As often as possible I have given the date of the letter: this gives facility, in certain cases, for referring to Father Bouix s translation. Next come: The Manner of Visiting Convents, a pamphlet, 16mo (not on sale). Rules and Constitutions of the Carmelites, a little 32 mo (not on sale). About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
