Reviews

Good e-book and beneficial one. I was able to comprehend everything out of this published e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Mariana Schaden II)

Harlan Davidson Inc. Paperback. Book Condition: new. BRAND NEW, Selections from the Thoughts, Blaise Pascal, Arthur H. Beattie, Included in this volume are fourteen of the fragments intended for Pascal's Jansenist-inspired defense of the Christian religion. Using the Chevalier edition, these are grouped to present a logical development of three themes, "The State of Man in Ignorance of God," "The Wager," and "The Christian Life." This translation closely follows the French text (cross-referenced with the paragraph numbers of the Brunschvicg edition) and does not conceal the fragmentary style of the original. Translated and edited by Arthur H. Beattie, this volume also contains an introduction, a list of principal dates in the life of Pascal, and a bibliography.
