If you think you have made an invention: if you contemplate investing in a patent right: if you intend manufacturing something which may possibly be patented to some one else: if you have a good thing and think some patent interferes with your making it: if you have a patent that you have reason to think is being infringed: if some one claims that you are infringing a patent: if you have an American patent less than a year old and want a Canadian patent: if you want to secure a Copyright, a Trade Mark, a Label, a Design patent, or foreign patents: In short, if you want anything concerning patents, except promoting or brokerage, come and see me, if possible.
